Relate, Respect, Connect Booster Session 3 -Assessment Task

Learning Intention:

<u>Today we are:</u> learning about respectful relationships <u>So we can</u>: better understand how to identify and solve problems with our friends I <u>will know I have been successful:</u> when I can identify a problem that may arise among friends, and suggest ways to handle the issue and make plans to avoid similar problems in the future.

Write a script of dialogue between two or three friends about an issue that has arisen between them at school, or on a sporting team.

Assessment Task:

Make sure you include

• a title

- the characters names
- what the problem is
- how it started or came to be.

Be sure to also include

- how the friends handle the issue
- what the plans are for the future.

The Situation:
