

Decisions Booster Session 2 - Assessment Task

Learning Intention:

Today we are: learning about what a drug is

So we can: distinguish between legal and illegal drugs.

I will know I have been successful: when I can share my knowledge about legal and illegal drugs.

In this lesson you have learnt more about the physical, social, financial and legal impacts of alcohol and other drugs. Choices about drugs and alcohol can affect a person's everyday life.

Assessment Task:

Read each below question carefully and select the most appropriate answer.
